Sam,
I just got off of the phone with John Walser. Together we have updated the Fuel waiver status section. Please let me know if you have any additional edits for this update.

Thanks,
Angela

Check fuel waiver status with Wren. This does not look correct. Need to ramp up faster!

Angela and company-= thanks for getting this to me in time for me to review it. I made a small correction to show the Brine Services and Falcon Refinery sites as scheduled for an inspection today. Until we get Nic Brescia's report I don't want to mislead ... Nicely written

Oh...NPL table will change but I need to work with John on what to put into it... something for the morrow
